Anthony Bourdain Moore Theatre	Sat., June 7, 8:00pm	Downtown	Lectures & Events Food Files
 <p>Ever since the appearance of Anthony Bourdain's 1999 New Yorker essay describing a clanging, cursing, stress-addling day on the hot line, the debate has raged: Does the man speak the truth about the insanity of the kitchen, or is he a tall-tale-spinning blowhard? Any cook will tell you,... More >></p>			

Crystal Castles, dd/mm/yy, guests Chop Suey	Sat., June 7, 9:00pm	Capitol Hill	
 <p>Crystal Castles began in late 2003 as a twitchy electronic project for multi-instrumentalist Ethan Kath. By mid-2005, an accidental single catapulted it into a blogospheric frenzy. A random microphone test featuring collaborator Alice Glass eventually ended up on Kath's MySpace page as "Alice..." More >></p>			

Dungeons and Dragons Game Day Neumo's	Sat., June 7, 9:00am	Capitol Hill	Sports Misc.
 <p>For too long now, the D&D habit has been associated with all things wicked (or just nerdy). But today, Dungeon Masters and player characters will unite to take over the world! Well, not quite, but game enthusiasts will be introduced to fresh adventures with the release of the fourth-edition... More >></p>			

Panic at the Disco Paramount Theatre	Sat., June 7, 7:00pm	Downtown	
 <p>When Panic! At the Disco performed in England two years ago, somebody threw a bottle at lead vocalist Brendon Urie's head and successfully knocked him out. Several minutes passed, then he stood back up. "You can't take me out!" he yelled, and the band played on. Now, I can see why somebody... More >></p>			

Seattle Storm vs. Detroit Shock KeyArena	Sat., June 7, 7:00pm	Queen Anne	Sports
 <p>While the Sonics' ownership spent its spring dealing half its roster to playoff contenders and trying to hot-foot it to Oklahoma City, the Storm's new local ownership quietly assembled the most formidable collection of talent—on paper—in the WNBA. Joining franchise linchpins... More >></p>			

Wiener Takes All: A Dogumentary Capitol Hill Arts Center	Sat., June 7, 4:30pm more dates/times	Capitol Hill	Oddballs, Events & Rep
 <p>A 1993 Miller Lite commercial portrayed dachshund racing as a joke, but it led to the highly competitive Wiener Nationals, which Shane MacDougall's STIFF doc Wiener Takes All: A Dogumentary treats like Best in Show. Here we meet pampered pups, wacky owners, and their quest for low-slung... More >></p>
